LADIES ACTIVITIES

Our theme for the March 2010 meeting will be "God and Country". So get out your red, white and blue!

One of our activities will be a "guess who it is" game. We are asking that all ladies bring a picture of themselves at an early age. We will post these on a board and see if others can figure out who it is.

There will be Ladies Luncheon on Friday at noon.

At 2:00 Friday afternoon we will be going on a tour of the Heifer Project in Little Rock. There is no charge for this tour and it should last about an hour and a half. This is an international project that provides third world countries the knowledge and resources to help them learn to provide food for themselves and others. We do not need an exact head count but they would like to have a close guess. So, if you think this is something you might want to do please contact Carol South at 479-967-3913 or asouth@cswnet.com and let her know by late February or early March. There will be bingo in the Hospitality Room for those that do not wish to go on the tour.
